

# King George's Field Plans

## NEWSLETTER no. 3

### We're Going Ahead!

The KGF Committee of Management is delighted to announce that work will commence on the new facility just after the May Day fete. Although one of our external funders, Viridor, has pulled out at the last minute, we have other irons in the fire to help fill the gap. However, donations of any size from generous residents will be very welcome!

### Calling All Photographers!

Plans are underway to decorate the walls of the new building with archive photographs of the two villages – but we're looking for some special photos to commemorate the year that it was built. The **King George Field Photo Competition 2018** is now open!

There are 2 categories: **one for photographers under 16, and the other for over-16s**. All the entries will be on display at the May Day Fete, and a selection of the best, including the winning entry, will be specially mounted to go inside the new building when it is complete.

#### Competition Rules:

- Photos must have been taken in 2018
- They must depict village life or scenery from Lower Heyford or Caulcott
- There is a maximum of 2 entries per person
- Photos may be submitted in either hard-copy prints **or** as digital files
- Hard-copy prints must not be bigger than A4 size, and should be handed in at the Bell or Horse and Groom
- Digital files should be e-mailed to the Committee address (see right)
- All entries should be accompanied by the photographer's name, and indicate whether they are entering the under-16s or over-16s category

**The deadline for entries is Friday 27<sup>th</sup> April**  
**GOOD LUCK!**

### May Day

The May Day fete will be held this year on 5<sup>th</sup> May and will be a last opportunity to see the old building before it disappears forever. Thankfully, this means the bar area at the front will still be open!

Members of the Committee will also be on hand with a copy of the building plans. We'll be happy to answer your questions and take suggestions about the activities that you would like to see on offer there. Please do come and see us.

### What's in a Name?

Last month committee members delivered voting cards to every household in Lower Heyford and Caulcott and we are delighted that almost one in five were returned with votes and suggestions for the name of the new building. If you have still not cast your vote, it's not too late – you can hand in your card at The Bell or the Sports and Social Club in Lower Heyford, or the Horse and Groom in Caulcott, or you can e-mail the Committee at the address given below.

A final vote will take place at the May Day fete, where the community will have the chance to decide between the front runners from the current shortlist.

### Keeping in Touch
